Global Research Academic & Policy Partnerships

- 2022—present *IMAGINA - Centro para la promoción del bienestar de la infancia adolescencia, Universidad de los Andes, Bogotá, Colombia & Liverpool Voluntary Counselling & Testing (LVCT), Nairobi, Kenya, and USAID. Young researchers capacity development to address stigma, disclosure and help-seeking for violence prevention as part of multi-country study.*
- 2020—2021 *INSPIRE Accelerators Programme with Brazil (Federale Universidade de Pelotas), Cote d'Ivoire (Université de Abidjan), Colombia (Universidad de los Andes) and Uganda (Makerere University) and the Data Collaborative for Children with UNICEF. Training of early career researchers to map the data landscape and conduct regional (Africa, Americas, Asia and Europe) systemic reviews of INSPIRE interventions, in 8 languages, to identify 'SDG accelerators' for most effective and rapid violence reduction.*
- Colombia INSPIRE Coordination Course, ICBF Colombian Family Welfare Institute (Instituto Colombiano de Bienestar Familiar), Bogotá, Colombia, USAID-HEARD Implementation Research, Centers for Disease Control & Prevention and SDG EV Partnership. Eighteen-week co-designed course to build government policy implementation skills and localise National Action Plans for Children.*

- 2018—2020 Leadership Development Programmes (LDP)—peer-to-peer, interactive policy & practice learning platforms for senior level influencers in government using a multi-sectoral approach, sponsored by the SDG End Violence Partnership.
- LDP 2020—Activating Multisectoral Engagement with Cambodia, Canada, Colombia, Philippines, and Uganda*** (online, 12 weeks) to build improved advocacy and communications across health, education, social work, and police/justice ministries and jurisdictions.
- LDP 2019—Evidence-informed National Action Plans with Cambodia, Colombia, Philippines, and Uganda*** (Scotland-based, 1 week) to build evidence-informed National Action Plans. Convened a multi-sectoral delegation to use problem solving, idea innovation and collaborative thinking to move high-level national planning into viable ground-level implementation.
- LDP 2018—Implementation Research for Preventing Violence Against Children with Honduras, Philippines, Uganda, and South Africa*** (Scotland-based 1 week) to introduce core activities around effective, measured implementation of WHO INSPIRE violence prevention interventions.
- 2010—2012 ***Muhimbili University of Allied Health Sciences, Dar es Salaam, Tanzania & University of California, San Francisco, CA.*** Senior researcher for a body of work to build a public health curriculum around youth healthcare work force.
- 2010—2015 ***University of Zimbabwe-University of California Collaborative Health Programme.*** PI for a body of work and practice around safe abortion care and curriculum development with UZ School of Medicine, Department of ObGyn.
- 2003—2009 ***INSP—Instituto Nacional de Salud Pública, Cuernavaca, Mexico & University of California, San Francisco, CA.*** PI for body of work around cross border sexual and reproductive health care programming.

Research Leadership

- 2023—present Member, Binks Hub Advisory Group, a partnership of individuals, organisations, artists, and academic researchers creating social impact locally and globally.
- 2022—present Scientific Member, INSPIRE Advisory Group, a WHO-led global working group overseeing the global guidelines technical package for violence against children leadership and vision.
- 2020—present Global Leadership Committee, Brave Movement, a survivor-centred global movement to end childhood sexual violence.
- 2020—present Leadership Team, Our Voices University Network, a consortium led by University of Bedfordshire, 42+ universities working to reduce child sexual abuse and exploitation by developing, evidencing, and championing ethical child-centered practice and research.
- 2019—present Expert Member, Disrupting Harm, a 14-country (Africa and SE Asia) investigation into online and offline child sexual abuse with UNICEF Innocenti, ECPAT, and Interpol.
- 2017—present Expert Member, Together for Girls Leadership Council, a consortium of national governments, UN agencies and private sector organizations to prevent and respond to violence.
- 2017—present Scientific Member, Evidence for Better Lives, a partnership between Institute of Criminology, University of Cambridge and 8 universities building a global cohort study to tackle violence against women and children in 8 urban sites around the world.
- 2016—2021 Member Steering Committee, Social Norms Learning Collaborative, a consortium of Georgetown University, advancing social and gender norms theory, practice and measurement.
- 2015—2020 Invited Scientific Advisor, Global Early Adolescent Study, a partnership between Johns Hopkins School of Public Health, WHO and implementation partners in 8 sites around the world.
